# A place for everything and everything in its place.

Use Shadow-Mark® on glass, metal, plastic, desktops and pegboard.

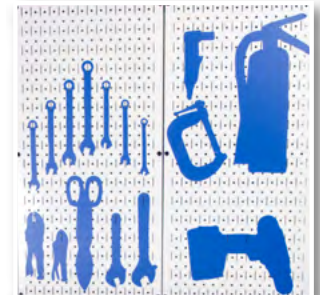

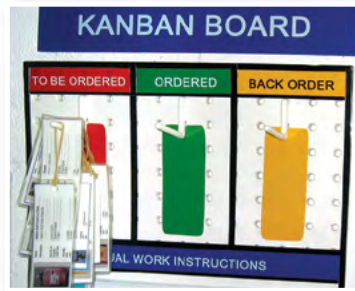

## SHADOW-Mark®

putting everything in its place

Shadow-Mark® is great for quality inspection processes, setup and process changeover, cleaning stations, medical instrument setup, break rooms, offices, mail rooms, maintenance areas and more.

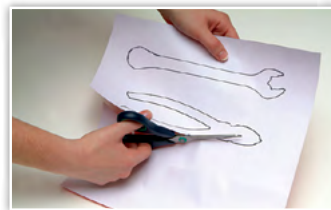

- Quickly identify missing items
- Sustain workplace organization
- Not just limited to tools
- Color code everything

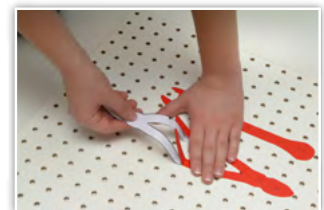

### Shadow-Mark Application

**Step 1: Trace** the item on the back of Shadow-Mark

**Step 2: Cut** it out and peel off the backing

**Step 3: Place** it and you're done!

## Shadow-Mark

	Shadow-Mark	Sharpie Markers	Paint
<b>Installation</b>	Trace, Cut, Place	Draw directly onto pegboard. Looks unprofessional and messy.	Messy, extensive clean-up, fumes, long dry times. May require work order.
<b>Durability</b>	Peel and stick material withstands repeated use.	Can wear off from use depending on pegboard.	Dependent on surface prep, paint quality, chipping and peeling are probable.
<b>Maintenance</b>	Easily changed, a variety of colors, easily cleaned.	Permanent. Not easily changed. Does not stand up to repeated cleaning.	Permanent. Difficult and time consuming to change. Pegboard is typically thrown out and cannot be used again.
<b>Cost</b>	Most cost effective, material cost and labor for installation, maintenance and durability.	Inexpensive. Hand drawn images do not promote discipline for maintaining organization.	Most expensive installation cost and upkeep. Time consuming and costly to remove. Color-coding is a challenge.
